

# **Driver Authorisation (DA)**

Drivers of motor vehicles used to provide particular public passenger services are required to hold DA.

The purpose of DA is to maximise public confidence in public passenger services in relation to the drivers of public passenger vehicles. New DA applicants and holders of DA are required to meet and maintain eligibility requirements outlined in this application.

Information bulletins about DA and application forms may be obtained from the Department of Transport and Main Roads (the department) website www.tmr.qld.gov.au.

If you hold a current DA elsewhere you may be eligible to apply under mutual recognition. Please refer to the information bulletin *Mutual Recognition of Public Passenger Driver Authorities issued in other States, Territories or New Zealand PT01*.

# Applicants for DA must have an entitlement to work in Australia

DA applicants must have a legal entitlement to work in Australia. Applicants must provide evidence specified in question 8 of the application form that they are:

- an Australian citizen
- a permanent resident of Australia
- a New Zealand citizen who is the holder of a special category visa as defined by the *Migration Act 1958* (Commonwealth), section 32
- entitled, under a visa granted under the Migration Act (Commonwealth) to work in Australia.

If you are not an Australian citizen or permanent resident, you must present your foreign passport, Visa Evidence Card or Document for Travel to Australia at the time of application. You must also complete an *Authority to Check a Visa Holder's Work Entitlement* (form F4595) so the department can verify you have an entitlement to work in Australia.

# Holders of DA must have an acceptable criminal history

Criminal history checks are undertaken by the department on all DA applicants before an application can be approved. Applicants cannot provide their own criminal history check, because the criminal history check information provided to the department for DA purposes contains more information than is normally released.

You must declare all charges and convictions from Queensland, interstate and any country. Conviction (as defined in the *Transport Operations (Passenger Transport) Act 1994*) includes a finding of guilt, and the acceptance of a plea of guilty, by a court, whether or not a conviction is recorded. All criminal history is considered, regardless of time elapsed.

Driver disqualifying offences are categorised into category A, B and C offences. Persons convicted of category A driver disqualifying offences are ineligible for DA. Persons convicted of a category B driver disqualifying offence cannot hold DA unless they can demonstrate an exceptional case exists. DA can also be refused if a person is convicted of a category C driver disqualifying offence or charged with a driver disqualifying offence (any category) and the charge has not been finally disposed of.

Information bulletin *Driver Authorisation - Effect of a Driver Disqualifying Offence PT17* provides more information about category A, B and C disqualifying offences.

# Holders of DA must have an acceptable driving history

Driving history checks are part of the DA application process for assessing the suitability of a person to hold DA.

Information bulletin Driver Authorisation - Effect of a Driving History PT16 provides more information.

A DA application will not be accepted where an applicant has an alcohol interlock condition on their driver licence.

# **Medical fitness**

Applicants must obtain and submit a *Medical Certificate for Motor Vehicle Driver* (form F3712) assessed in accordance with the commercial medical standards set out in Austroads *Assessing Fitness to Drive – For Commercial and Private Vehicle Drivers* publication. This publication is available from the Austroads website www.austroads.com.au. The certificate must be no more than six months old. The applicant is responsible for payment of all fees associated with the issue of the certificate. Medical certificates not using form F3712 may be not be accepted. Once an authorised passenger transport driver turns 75 years of age, the driver is required to submit a medical certificate issued for a commercial vehicle driver to the department on an annual basis.

# **Categories of DA**

There are two categories of DA:

- Booked hire/taxi authorises a driver to provide any public passenger service that requires DA including those services provided under General DA. Required by drivers of taxi and booked hire services (including services provided under a limousine licence).
- General authorises a person to provide any public passenger service other than a taxi service or booked hire service.

# **Driver licence requirements**

All applicants for DA must:

- Hold a current Australian open or restricted driver licence. Applications cannot be accepted from a person that has an alcohol interlock condition on their driver licence.
- Have held an open, restricted, provisional or probationary driver licence (Australian or overseas) for at least 3 years in total.

# Additional requirements for Booked Hire/Taxi DA

In addition to the above requirements, Booked Hire/Taxi DA applicants must have held for a continuous period of at least 1 year any of the following licences or a series of the following licences:

- an Australian open, restricted, provisional or probationary driver licence;
- a corresponding foreign licence issued by an *experienced driver recognition country* or a *recognised country* listed on the Austroads website. (These are countries recognised as having similar driver licensing standards to Australia).

# **DA fees**

Full payment of fees is required when the application is lodged. Information about DA fees may be found on the department's website www.tmr.qld.gov.au.

# How to submit your DA application

The application form must be lodged in person at a transport and motoring service centre (locations may be found on the Queensland Government website www.qld.gov.au). The form must be accompanied by evidence of identity (EOI), your driver licence, evidence of Australian work entitlement and full payment. For EOI requirements refer to www.qld.gov.au/EvidenceOfIdentity

The majority of applications are finalised within two weeks. Some applications can take longer while national criminal and traffic history checks are being obtained from other agencies. Upon approval of your application, you can use an interim industry authority as evidence that you are authorised until your industry authority card arrives in the mail. To obtain your interim industry authority by email ask to sign up for the department's e-reminders when submitting your application. For more information on e-reminders please refer to www.qld.gov.au/transport/enotice.

# Mutual recognition of equivalent occupation

If you are currently authorised to drive a public passenger service outside of Queensland you may be eligible to apply under mutual recognition. For further information regarding the application process and how to apply outside of Queensland, please refer to the information bulletin *Mutual Recognition of Public Passenger Driver Authorities issued in other States, Territories or New Zealand PT01*.

# Digital photo and signature

When lodging in person at a transport and motoring serivce centre, you will be required to allow the taking of a digital photo and the recording of a digitised signature to help verify your identity and to reproduce the photo and signature on your industry authority card.
